Food Vendors

Sorrento Village Farmers' Market

In 2017 Sorrento Village Farmers' Market introduced policies concerning food products. There may be some confusion about which documents are required, so we want to clarify what you need.

Essentially there are three categories; High Risk Food, Low Risk Food, and Alcohol.

If you don't know whether your product is considered higher or lower risk see the guidelines on the BCAFM website: <http://www.bcfarmersmarket.org/resources/subpage/health-and-safety>

Look for the link: "Guidelines for the Sale of Foods at Temporary Food Markets (2016)". Pages 8 and 9.

To complete this application please identify which type of vendor you are on page 1, and attach a copy of the appropriate documents.

Your application will not be considered 'complete' until you have submitted the required documents.

HIGH RISK FOOD VENDOR

- Liability insurance
- Health Board permit
- FOODSAFE or Market Safe Certificate

LOW RISK FOOD VENDOR

- Liability insurance
- FOODSAFE or Market Safe Certificate

ALCOHOL VENDOR

- Liability insurance
- Authorization from LCLB
- Serving It Right certificate

ORGANIC GROWERS

- If you are a grower of fruit, vegetables or meat/poultry, and you claim Organic, you must display your Organic certificate in your stall. It doesn't need to be attached to your application, but you must display it in your stall.

FOODSAFE ANNOUNCEMENT

- Effective July 29, 2013, all FOODSAFE Level 1 certificates issued in BC are valid for 5 years. Certificates issued prior to July 29, 2013, will expire July 29, 2018. See; <http://foodsafety.ca/>
